DAF YOMI 4 KIDS

Inside The Daf

נח had three sons, שם, חם and יפת. יפת's sons had many children and grandchildren, each fathering a great nation.

The children and grandchildren of יפת fathered the nations of Europe. The גמרא tells us the names of the countries where יפת's sons settled. (We are also told the names of the areas where חם's grandsons, סבתה and סבתא settled.)

On the map below, you can see which son of יפת settled in which country. The names of the sons are in smaller print (in parenthesis) and the names of their countries in the time of the גמרא are in larger print.

גמר, מגוג, מדי, יון, יפת had seven sons: תבל, משך, תירס.

WORD OF THE DAY:
אִיתִיבִּיהַ
"HE ASKED AGAINST HIM"

Did You Know...
רַב says that משיח will not come until the Roman Empire has spread throughout the world.

A Moment

"All done, Mrs. Mendolwitz," said Tim Walker of Ace Plumbing Inc. "My boss is sending me to another house now, so I'll be on my way."

"Thank you so much for coming, Mr. Walker," said Mrs. Mendolwitz as she paid the plumber.

Mrs. Mendolwitz's son, Shimon was listening to the conversation. He had a question for his mother.

"Mom," he said, "Why did you thank Mr. Walker for coming to fix our sink? Didn't he only come here because his boss told him to?"

"Shimon, remember what you learned today about the Persians?"

"Yes," answered Shimon. "They built the Second Temple."

"That's right," said Mrs. Mendolwitz. "But it was Hashem's decision that they should build it. But they were still rewarded. So what do we learn from this?"

"I get it!" Shimon exclaimed. "Even though a person *has* to do something, they still get rewarded for doing it!"

"Very good, Shimon," smiled Mrs. Mendolwitz. "We must always thank anyone who helps us – even if someone else made them do it!"

מְזוּזָה in the מְקֻדָּשׁ

The Torah requires us to put מְזוּזוֹת on the doorposts of our home.

Did the לְשֶׁכֶת פְּרֹהֶדְרִין (Parhedrin chamber) where the כְּהֵן גָּדוֹל lived for seven days before יוֹם כְּפוּר, need a מְזוּזָה?

According to the חֲכָמִים (Sages), the לְשֶׁכֶת פְּרֹהֶדְרִין required a מְזוּזָה because the כְּהֵן גָּדוֹל lived there. This makes the לְשֶׁכֶת פְּרֹהֶדְרִין like a home for the כְּהֵן גָּדוֹל.

But רַבֵּי יְהוּדָה says that, according to the Torah, the לְשֶׁכֶת פְּרֹהֶדְרִין does not need a מְזוּזָה even though the כְּהֵן גָּדוֹל lives there for some time. רַבֵּי יְהוּדָה says the Torah requires homes to have a מְזוּזָה only if it is lived in during the

winter and the summer. Since the לְשֶׁכֶת פְּרֹהֶדְרִין was lived in for only seven days of the year, it does not need a מְזוּזָה .
